**ACCESS AFYA HEALTH PLAN**

### UTAMU MEMBERSHIP OUTPATIENT PACKAGE

**INTRODUCTION**  
Access Afya is a full-service chain of primary health clinics offering general outpatient, diagnostic urgent care, chronic condition management, antenatal care, immunization, ultrasound and family planning services. Our philosophy is patient centered, outcomes focused healthcare. We show this by following up with each and every patient after a visit to ensure that they feel better. Our quality has been recognized: following an evaluation of hundreds of primary care clinics in Kenya by Safecare, Access Afya was awarded the highest quality score and double the national average. The Kenyan Chamber of Commerce recognized us as the Best Customer Experience in Kenya last year.

**UTAMU HEALTH MEMBERSHIP OUTPATIENT PACKAGE**  
Our Healthy Factories and Utamu Health Membership Outpatient Package bring care to people where they spend most of their time and blend prevention efforts and health and health education with acute urgent care.

- Increase satisfaction
- Increase productivity
- Less time and money spent on hospitals
